Hello Jason,

I wanted to write to tell you that your company, i3 Solutions has made me a very happy man. When I started working with you from a reference from a friend I was very skeptical, but you have done everything you said you would do and MUCH more.

The fee that I paid your firm was some of the best money I've ever spent. My credit score has gone from the mid 400s to a high score of over 750.

This has been one of the best experiences of my life and I can't thank you enough

I am happy to be a reference for i3 Solutions any day of the week. Let me say to anyone that wants a better credit Score;

"i3 Solutions knows this stuff inside and out; they're the real deal"

Feel free to use my comment and name at your will.

I also have a woman that I work with that should be contacting you soon. Her name is Renee [REDACTED] and she mentioned wanting to restoring her credit. I gave her you name and number.

I again can't express my gratitude for what you've done for me and my credit; thank you!!!

Best regards,
